**COURSE DESCRIPTION**

Conflict management coaching is a practical, application seminar focused on teaching a 7-stage structured model for coaching individuals to effectively prevent or manage specific interpersonal disputes, and to enhance the coachee's conflict management skills. Students will explore how coaching is different from consulting and therapy. This coaching process has wide application, in the organizational context and for coaching individuals to participate in mediation, negotiation and relational conflict. This course is based on the licensed CINERGY® Conflict Management Coaching model. This highly experiential course requires individuals to come prepared with their real, interpersonal conflict situations in order to coach and be coached. Students who successfully complete this course will receive the following:

- ✓ CINERGY® Conflict Coach Certificate of Completion
- ✓ 42 hours of Continuing Education Credits from the International Coach Federation
- ✓ 36 hours of Professional Development Credits from the Society for Resource Management (SHRM)

**Methods of Instruction:** The instructor will employ a variety of teaching methods including lecture, demonstrations, real-plays, case studies, written assignments, class exercises, assigned readings, group discussion, and 2.5-hour (at minimum) assignment on Canvas (<http://canvas.smu.edu>)

**Canvas Tools:** This course relies on the use of Canvas, SMU's Learning Management System. All course documents, PowerPoints, and resources will be available on Canvas. Current students can access Canvas by navigating to <http://canvas.smu.edu> and entering their SMU ID and password. Students need to be able to access Canvas in class with a laptop or other device in order to take quizzes.

### CLASS ATTENDANCE & PARTICIPATION

(20% of grade)

Attendance and participation are required at each class. The instructor is to be notified at least 24 hours in advance phone or in writing or by email message of any potential problems with attendance. If a student must miss one class, it is the student's responsibility to contact a classmate to get all material and assignments covered during their absence. Students are expected to come to class prepared to discuss the assigned reading material as outlined in the weekend schedules. Attendance and participation grade will be determined based on:

- classroom contribution of a quality that reflects knowledge of readings, texts, and reference material
- **quizzes** to gauge comprehension of reading materials as well as lectures and in-class activities
- **engagement** in real-plays and practice coaching sessions

Any student who accrues 5 hours of a weekend class due to poor attendance &/or lateness will receive one of the following consequences, at the instructor's discretion:

1. Course grade of Incomplete, if requirements have been met (see Incomplete policy in this syllabus)
2. Failing grade for the course
3. Drop or withdrawal from the course. Be aware that this may have a financial and/or financial aid impact (see add/drop policy and withdrawal dates and policy at the [Academic Calendar](#). Students who are considering dropping or withdrawing from the course should consult the Counseling Program Office.

Students are expected to check their SMU email and Canvas mail on a daily basis for important communications. If you have problems logging in, click on "How to Log On."

(See university Policy No. 1.9)

**Excused Absences for University Extracurricular Activities.** Students participating in an officially sanctioned, scheduled University extracurricular activity should be given the opportunity to make up class assignments or other graded assignments missed as a result of their participation. It is the responsibility of the student to make arrangements with the instructor prior to any missed scheduled examination or other missed assignment for making up the work.

### Class Participation & Professionalism

**Electronic media & distractions.** Please turn off (or set on vibrate) all cell phones or pagers. Please do not read newspapers, books for other classes, or other outside reading material during class, nor use laptops for non-class-related activities during class. Walking into class late is disruptive, as is leaving early, so please avoid this whenever possible. If you have to leave early, make arrangements before class begins, and then when you leave, do so quietly. Professional respect and courtesy for your fellow students is expected at all times. Interfering with or disrupting any University teaching, research or administrative activity may result in referral for review to the Director, Chair and/or Office of Student Conduct and subject to removal from the program.

**Statement on confidentiality & emotional safety.** In order to provide a safe learning environment for students in the class and to protect the confidentiality of practice clients and class members, students will discuss case material and other's personal information, reactions, etc. only while in class or privately with other current class members. Although the nature of the program invites and expects students to confront themselves in order to maximize personal growth, each student is ultimately responsible for what he or she chooses to share in class, knowing that he or she has the right to pass on any activity or discussion that seems too personal. It is also the responsibility of each class member to treat classmates with respect and integrity, thus providing emotional safety for each other during class activities.

**Honor Code.** Students are reminded of the SMU Honor Code as referenced in the Student Handbook. Intellectual integrity and academic honesty are both the foundations and the goals for this program. Please reference and review the university policies on the responsibilities, policies, and penalties regarding academic honesty found at: <http://www.smu.edu/StudentAffairs/StudentLife/StudentHandbook/HonorCode>.

### LATE & MAKE-UP WORK POLICY

Students are expected to turn in their assigned work on time. Students who think they will submit an assignment late must communicate with the instructor in advance of the due date and may be allowed to submit late assignments with an automatic deduction of 25% for that particular assignment. **Students who turn in their final written assignment late will have a reduction of one letter grade.**

### INCOMPLETE GRADE POLICY

A student may receive a grade of I (Incomplete) if at least 50 percent of the course requirements have been completed with passing grades, but for some justifiable reason, acceptable to the instructor, the student has been unable to complete the full requirements of the course (See attendance and participation). At the time a grade of I is given, the instructor must stipulate in writing to the student and to the University registrar the requirements and completion date that are to be met and the grade that will be given if the requirements are not met by the completion date. The maximum period of time allowed to clear the Incomplete grade normally is 12 months. If the Incomplete grade is not cleared by the date set by the instructor or by the end of the 12-month Policies and Procedures deadline, the grade of I will be changed to the grade provided by the instructor

at the time the Incomplete grade was assigned or to a grade of F if no alternate grade was provided. The grade of I is not given in lieu of a grade of F or W, or other grade, each of which is prescribed for other specific circumstances.

If the student's work is incomplete, poor quality and not acceptable, a grade of F will be given. The grade of I does not authorize a student to attend the course during a later term. Graduation candidates must clear all incomplete grades prior to the deadline in the Official University Calendar, which may allow less time than 12 months. Failure to do so can result in removal from the degree candidacy list and/or conversion of the grade of I to the grade indicated by the instructor at the time the grade of I was given.

For graduate students, a maximum of two (six hours) concurrently held grades of Incomplete in courses other than thesis is allowed. If this maximum is reached, the student will be allowed to take only one three-hour course per term until the Incomplete total is reduced. Students who accumulate a total of three grades of Incomplete in courses other than thesis will be put on probation and not allowed to enroll further until the total is reduced.

## **DISABILITY ACCOMMODATIONS**

Students needing academic accommodations for a disability must first register with Disability Accommodations & Success Strategies (DASS). Students can call 214-768-1470 or visit <http://www.smu.edu/Provost/ALEC/DASS> to begin the process. Once registered, students should then schedule an appointment with the professor as early in the semester as possible, present a DASS Accommodation Letter, and make appropriate arrangements. Please note that accommodations are not retroactive and require advance notice to implement.

## **CAMPUS CARRY LAW**

In accordance with Texas Senate Bill 11, also known as the "campus carry" law, following consultation with entire University community SMU determined to remain a weapons-free campus. Specifically, SMU prohibits possession of weapons (either openly or in a concealed manner) on campus. For more information, please see: [http://www.smu.edu/BusinessFinance/Police/Weapons\\_Policy](http://www.smu.edu/BusinessFinance/Police/Weapons_Policy).

## **SMU WEATHER EMERGENCIES**

Students should monitor the SMU home page for weather closing updates.

## **ACADEMIC INTEGRITY**

Students are reminded of the SMU Honor Code as referenced in the Student Handbook. Intellectual integrity and academic honesty are foundational for this program. Please reference and review the university policies regarding the responsibility, policies, and penalties regarding academic honest found at: <http://www.smu.edu/StudentAffairs/StudentLife/StudentHandbook/HonorCode>

Cheating and plagiarism are types of academic misconduct and will not be accepted.

The term "plagiarism" includes, but is not limited to, the use, by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgement. Plagiarism also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials. Plagiarism is plagiarism, whether intentional or unintentional. To avoid plagiarism, follow guidelines in the current edition of the APA Publication Manual. APA-style writing is always required for every submitted document or assignment, unless specified otherwise by this instructor. Students should be prepared to submit papers and other written work electronically so that the instructor can use anti-plagiarism

software to validate the originality of the student's work. Students also have access to these plagiarism-prevention tools and are strongly encouraged to utilize these resources.

The term "cheating" includes, but is not limited to, (1) use of any unauthorized assistance in taking quizzes, tests or examinations; (2) dependence upon the aid of sources specifically prohibited by the instructor in writing papers, preparing reports, solving problems or carrying out other assignments; (3) the acquisition, without permission, of tests or other academic material belonging to a faculty or staff member of the university; (4) dual submission of a paper or project, or resubmission of a paper or project to a different class without express permission from the instructor(s); (5) any other act designed to give a student an unfair advantage.

If cheating or plagiarism is discovered, a faculty member will assign penalties. Penalties can include reducing or changing a grade or issuing a failing grade for an assignment/test or for the entire course. In addition, a student who has cheated or plagiarized may be dismissed from the academic program and the university.

## APA GUIDELINES

Students are expected to have a high degree of familiarity with the APA manual and its requirements. To avoid plagiarism, follow guidelines in the current edition of the [APA Publication Manual](#). Always cite the source of a quote or paraphrase, for example:

- When quoting:
  - o Copy the original material word-for-word
  - o If a quotation is less than 40 words, place quotation marks around it; if it is 40 or more words, indent the quote as a block. Double space all text.
  - o Follow the conclusion of a quotation immediately with the citation of author(s), year of publication – or year of creation if original material is unpublished, and page number(s)
- When paraphrasing:
  - o Restate concepts in *substantially different words* than the original material
  - o Immediately after paraphrased material, cite author(s), year, and, whenever possible, page number(s)
  - o In addition, if paraphrased material extends to multiple paragraphs, be sure to cite the source in *each* paragraph.
